Now he's thinkin' 'bout me every night, oh - Is it that sweet? I guess so  
Say you can't sleep, baby, I know - That's that me, espresso  
Move it up, down, left, right, oh - Switch it up like Nintendo  
Say you can't sleep, baby, I know - That's that me, espresso

I can't relate to desperation - My 'give a fucks' are on vacation  
And I got this one boy - And he won't stop calling  
When they act this way - I know I got 'em

Too bad your ex don't do it for ya - Walked in and dream came true'd it for ya  
Soft skin and I perfumed it for ya - I know I Mountain Dew it for ya  
That morning coffee, brewed it for ya - One touch and I brand newed it for ya

Now he's thinkin' 'bout me every night, oh - Is it that sweet? I guess so  
Say you can't sleep, baby, I know - That's that me, espresso  
Move it up, down, left, right, oh - Switch it up like Nintendo  
Say you can't sleep, baby, I know - That's that me, espresso , Is it that sweet? I guess so

I'm working late 'cause I'm a singer - Oh, he looks so cute wrapped around my finger  
My twisted humor, make him laugh so often - My honey bee, come and get this pollen

Too bad your ex don't do it for ya - Walked in and dream came true'd it for ya  
Soft skin and I perfumed it for ya - I know I Mountain Dew it for ya  
That morning coffee, brewed it for ya - One touch and I brand newed it for ya

Now he's thinkin' 'bout me every night, oh - Is it that sweet? I guess so  
Say you can't sleep, baby, I know - That's that me, espresso  
Move it up, down, left, right, oh - Switch it up like Nintendo  
Say you can't sleep, baby, I know - That's that me, espresso ,

Now he's thinkin' 'bout me every night, oh - Is it that sweet? I guess so  
Say you can't sleep, baby, I know - That's that me, espresso

Now 5 years later on, you've got the world at your feet - Suc-cess has been so easy 4 u

I was working as a waitress in a cocktail bar - That much is true  
But even then, I knew I'd find a much better place - Either with or without you  
The 5 years we have had have been such good times - I still love you  
But now, I think it's time I live my life on my own - I guess it's just what I must do

Don't, don't you want me? - You know I can't believe it when I hear that you won't see me  
Don't, don't you want me? - You know I don't believe you when you say that you don't  
need me

It's much too late to find - You think you've changed your mind  
You'd better change it back or we will both be sorry

## King of wishful thinking

[Intro] **Ami F G C** x2

[v] **Ami F G C Ami F G G**  
I don't need, to fall at your feet - Just cause you cut me to the bone  
And I won't miss, the way that you kiss me - We were never carved in stone

**F G C F E**  
If I don't listen to the talk of the town - Maybe I can fool myself

[ch] **Ami F G C**  
I'll get over you, I know I will I'll pretend my ship's not sinking  
**C F G C**  
And I'll tell myself, I'm over you **Ami F G C**  
Cause I'm the King of wishful thinking  
**Ami F G C**  
I am the King of wishful thinking

[Horn Riff]

[v] **Ami F G C Ami F G G**  
I refuse to give in to my blues That's not how it's gonna be  
And I deny, the tears in my eyes I don't want to let you see, no!

**F G C F E**  
That you have made a hole in my heart - And now I've got to fool myself

[ch] → [Instrumental]

**F G C F E**  
If I don't listen to the talk of the town - Maybe I can fool myself

I'll get over you, I know I will - You made a hole in my heart  
But I won't shed a tear for you - I'll be the king of wishful thinking  
I'll get over you (I know I will) - I'll pretend my heart's still beating  
'Cause I've got no more tears for you - I'm the king of wishful thinking

I'll get over you, I know I will - You made a hole in my heart  
And I'll tell myself I'm over you - 'Cause I'm the king of wishful thinking
